31st MAY 2008

CALLING ALL MALAYSIAN SCIENTISTS, RESEARCHERS AND SCIENCE TEACHERS

Established in 1993 through a RM4 million initial endowment, MTSF is a premier privately-funded charitable organisation with the primary objective of advancing science and technology in Malaysia. Malaysian Scientists, Researchers, Educators and Teachers currently residing in Malaysia are hereby invited to apply for the following prestigious prizes and grants. Information bulletins together with nomination and application forms have been distributed to local universities, research institutions, secondary schools and pre-university colleges nationwide. Please contact the heads of your respective institutions or fax / telephone / e-mail / write to MTSF for the application forms.

Alternatively, you may download the application forms from our web site.
